

T-LBK462 RG

SigGem LCD 1x5 WOWPad

The Topaz SigGem[®] LCD 1x5 WOWPad[™] (T-LBK462-HSX-RG) is an advanced electronic signature pad featuring GemGuard® antimicrobial grip, pen, and signature pad top surface, perfect for over-the-counter or mobile-cart operations. In addition, the WOWPad includes a replaceable cable, providing durability for environments with heavy use.

With backlit transflective LCD, the pad displays "electronic ink" under the pen tip during signing. Bundled secure software APIs provide for interactive text, graphics, and pen-tap hotspots and checkboxes which enable users to navigate screens and select preferred options.

BENEFITS

- Rugged signing area for long life
- LCD display for customization
- GemGuard antimicrobial grip, pen, and top pad surface for reducing the spread of infectious disease
- Replaceable, rugged cable for durability
- Small size and weight for portability

93021 | USA

- High-quality biometric and forensic capture
- Topaz software suite bundled at no additional cost for complete signing and signature solution customization techniques
